

HN 500 Endotracheal Tube, Clear PVC, Oral/Nasal, Plain

Sizes & Technical Data

- ☞ Made from soft PVC material, giving minimal risk of trauma
- ☞ Kink resistant minimizing any possibility of occlusion
- ☞ The Murphy Eye is smoothly formed to prevent any mucosal damage
- ☞ Manufactured from non-toxic PVC to protect delicate mucosal tissues
- ☞ Radio-opaque Line for exact location of tube
- ☞ Single use, no risk of cross infection
- ☞ 15mm connector ensuring full compatibility with circuit connections
- ☞ A black Intubation Depth Marker is located 3.0 cm proximal to the cuff.
This assists the accurate placement of the tracheal tube tip within the trachea

Product Description	Product Code	I.D.mm	O.D. mm	Pack size
Endotracheal Tube	HN 500-025	2.5	3.5	10
Endotracheal Tube	HN 500-030	3.0	4.0	10
Endotracheal Tube	HN 500-035	3.5	4.7	10
Endotracheal Tube	HN 500-040	4.0	5.4	10
Endotracheal Tube	HN 500-045	4.5	6.0	10
Endotracheal Tube	HN 500-050	5.0	6.7	10
Endotracheal Tube	HN 500-055	5.5	7.3	10
Endotracheal Tube	HN 500-060	6.0	8.0	10
Endotracheal Tube	HN 500-065	6.5	8.5	10
Endotracheal Tube	HN 500-070	7.0	9.3	10
Endotracheal Tube	HN 500-075	7.5	10.0	10
Endotracheal Tube	HN 500-080	8.0	10.7	10
Endotracheal Tube	HN 500-085	8.5	11.3	10
Endotracheal Tube	HN 500-090	9.0	12.0	10
